

Digital Art & Design III
The Photo Essay
Assignment 14

Photographer Matt Black travels throughout the US documenting high poverty areas.

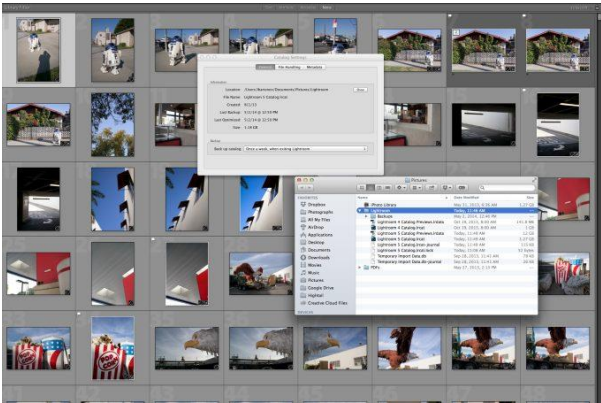

After the deaths of these 10 notable people, The New York Times photographed their private spaces — as they left them.

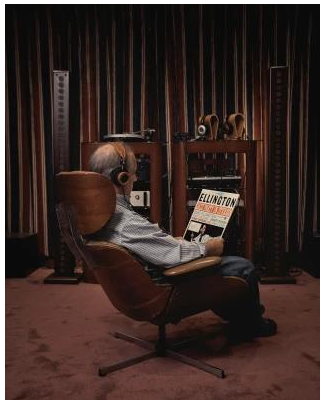

Your Assignment:

You are to a [photo essay](#). The topic is completely up to you, but your photo essay should consist of 10-20 cohesive images. Look at [this article for the “framework” of a classic photo essay](#) for more information.
